

Wisconsin River Valley Trout Unlimited

28th Annual Conservation Banquet

Saturday, April 10, 2010- Memories Ballroom

5:30 Cash Bar - 6:30 Dinner

This is your personal invitation to join us for the 28th annual Wisconsin River Valley Trout Unlimited Conservation Banquet. The banquet is Saturday, April 10 at Memories Ballroom, seven miles west of Wausau on Highway NN. Drawings for firearms, fishing equipment, fine art, guided fishing trips and a wide array of valuable prizes for both men and women will follow a great meal prepared by the good cooks at Memories. We have the ability to register firearms at the banquet and accept all major credit cards for payment.

Tickets, which include your meal and door prize are \$35 per person or \$60 for two until April 3. If tickets are available after April 3 they will be \$35 per person.

Stream Sponsor Special Offer!

This year we are offering businesses and groups of individuals the ability to become "WRVTU Stream Sponsors". For \$250 a sponsor will receive six banquet tickets, their own table, 30 bucket raffle tickets, six drink tickets and a featured listing in our banquet program. For more information please contact Brian at the number below or our president at 675-4920.

This banquet is our chapter's only source of income. All monies raised are used locally by the chapter on projects which guarantee public access. Without your generous support, the work of restoring our trout streams will not happen. This year we are providing labor and funding for much needed improvements in both Lincoln and Marathon counties. Please make this valuable work possible by your attendance and contributions. Your gracious support is an investment in quality fishing and the preservation of the watersheds where trout are found.
